thing particularly wrong with his feet-and yet army statistics have conclusively shown that at least seven people out of every ten are suffering from some form of foot trouble.

As you study the chart at the top of the page, you will note, perhaps, certain symptoms which have occurred at

some time with you. This week—from now until the close of business next Saturday-is Dr. Scholl's Demonstration Week. During this

week an opportunity is offered

to you to find out, definitely,

Probably not one person in ten realizes that there is any-thing particularly wrong with positively, the condition of your feet and the corrective methods, if needed, which will bring relief.

If your feet tire easily, if they ache and burn and perspire, if a moderate amount of walking seems to bring excessive fatigue, if you have corns or callouses or bunions, weak arches, "weak foot" or flat foot, or pains in legs and hips that are rheumatic-like in their intensity, you owe it to your-self to find out the real cause of these conditions.

This week, also, we will be glad to present you with the items listed in the coupon below, as long as our supply lasts.

#### SPECIAL COUPON-FREE!

This coupon will entitle the holder, when signed and presented at

our store, to:

1. Dr. Scholl's Corrective Foot Exercise Chart

2. Booklet, "Treatment and Care of the Feet"

3. One sample of Dr. Scholl's Zino-pads
and, if desired by the undersigned, a complete foot and shoe trouble analysis and demonstration.
